Extended Care Program Discipline Procedures

Each student is expected to follow the same rules as they do during normal school hours. Students who are not following directions, are being disruptive or mistreat other students will be given a citation/referral. Their consequences will be determined by their actions, and frequency of misbehaviors.

Every student deserves to have a safe and positive environment. They should be able to come into Extended Care and have fun without worrying about another student bothering them. It is our duty to make sure your child feels safe.

We talk to the children often about following the Golden Rule in treating others the way they would like to be treated. We really have only ONE rule... DO THE RIGHT THING!

We encourage you to talk to your children about bullying and the negative effects it has on other students. In addition, if they are being bullied or picked on, PLEASE encourage them to talk to me or any other counselor that may be available to help.

Thank you for your support in our endeavor to make this a positive and safe environment for your child.

Sincerely,

Aimee Wilson
